Were those collected in the prior effort to provide the compliance reports?

Marcia,

I believe a few companies may have submitted annual reports to the email address.

Hi Folks,

ED_004016_00079162-00002

I understand that you are the recipients of the well completion mailbox (ex. rXwellcompletion@epa.gov).

We are trying to find out if any compliance reports or other correspondence relating to NSPS 0000a were submitted (erroneously) to the well completion mailboxes during the timeframe of July 2016- January 2018.

If so, we may need to collect that information. Please let me know - a simple "no" is fine if the only thing you received relevant to NSPS 0000a is well completion reports. Feel free to call me if you have any questions.
